OUR PARTNERSHIP HAS NO DOWNTIME

Whether you are trying to stay ahead of the competition or meet legislation like Stage V, change is inevitable. Our partnership is about helping our customers through this process, not only by providing high quality engines but more importantly a strong partnership that reaches far beyond the life cycle of the engine.

Why is Yanmar the partner of choice for Stage V diesel engines?

Because our Stage V engines offer:

- ✓ **The same footprint as Stage 3A engines**
- ✓ **Availability as a powerpack, radiator and air cleaner mounted, including wiring harness and CAN panel**
- ✓ **A 50% reduction in lube oil consumption over Stage 3A engines**
- ✓ **Best in class fuel economy**
- ✓ **Maintenance free Diesel Particulate Filter (DPF)**
- ✓ **DPF can be mounted on flywheel housing, exhaust manifold or remote**
- ✓ **Unique three-way low temperature regeneration system**
- ✓ **A clog free DPF even under light load conditions**
- ✓ **Legendary durability**
- ✓ **Easy maintenance**

Because Yanmar is the safe choice:

- ✓ **Long term partnership**
- ✓ **Over 100 years experience in manufacture and design**
- ✓ **Yanmar built the world's first commercially viable small (5-6hp) diesel engine in 1932**
- ✓ **Over 300,000 common rail DPF controlled diesel engines running in tough off-highway conditions**
- ✓ **Renowned Yanmar quality, durability and proven reputation**
- ✓ **Worldwide support**

Our partnership has no downtime

What experience does Yanmar have supplying industry leading OEMs?

Major global brands in the construction, agricultural and power generation sectors rely on Yanmar to power their machines, so choosing Yanmar to power your equipment puts you in good company.

With Yanmar you make the safe choice.

- ✓ **Meet stage V**
- ✓ **Help with engineering and installation**
- ✓ **Worldwide support & delivery**
- ✓ **Provide long life cycle DPFs**
- ✓ **DPFs mounted in multiple positions**
- ✓ **Available as a base engine or power pack**
- ✓ **Personal service from your local, specialist team**

***Can you help us with
